ATENTO

Between February 16th and 17th, 2022

Atento is one of the five largest global providers of customer relationship management and business process outsourcing services, running a series of gamified activities for its employees in the metaverse.

ABU DHABI PORTS

Between February 14th and 28th, 2022

AD Ports Group, the region's leading dynamo for logistics, industry and trade, organised a number of activities throughout the month, including meetings and gaming sessions in its own metaverse.
